- Set Wedding Budget
- Let KC Weddings and Events arrange your Engagement Party
- Choose your Witnesses, Maid of Honour, Bridesmaids, Grooms-men, Flower Girls and Page Boys etc
- Go on the hunt and book a suitable Wedding Venue
- Set the Date - Make sure you liaise carefully with your Venue and Registrars / Church and make sure both parties have a free slot on the same day; otherwise this could be disastrous!!!
- Book your first meeting with your Registrar or Priest
- Think about Finance - Set up a Wedding Saver Account. Correctly budget and save per month; this avoids those nasty bulk payments at the end.
